8 Weeks of Fundraising Ideas

Week 1 **Set up and share your online fundraising page**

Send a link to your Simply Giving fundraising page to everyone you know. Ask them to donate \$10 or \$20 and/or run with you. Include the link in your email signature, too!

Week 2 **Email and post on social media**

Remember: The bigger your mailing list, the more money you'll raise! Email each of your networks and let them know why you're running. Use our social media assets to show why you are excited to be part of our team! Find them here: [AHC Social Media Assets](#)

Week 3 **Look for matching-gift opportunities**

Find out if your company has a matching-gifts program. Search for your company here: matchinggifts.com/lis

Week 4 **Tell 10 new people about the run and AHC's great work**

Explain to them why you're participating and ask if they will make a contribution toward your fundraising efforts.

Week 5 **Host an event with friends or co-workers**

Host a karaoke night, run a silent auction, or organise an office sports tournament.

Week 6 **Take steps to raise \$1,000 or more**

Sponsor yourself for \$30. Then ask five family members to sponsor you for \$25 each. Ask ten friends to sponsor you for \$15 each. Ask ten co-workers for \$25 each. Ask five neighbors for \$10 each. Ask five businesses you frequent for \$25 each.
Keep up the great work. You'll raise \$1,000 in no time!

Week 7 **Sign up for a personal challenge**

Abseil from the tallest building in town, give up a bad habit, take a vow of silence. Donate your daily coffee, and invite others to do the same. Pick your challenge - whatever it may be - and get started!

Week 8 **Follow up and remind people**

Post or send a reminder to the people who haven't donated yet. Let them know that the race is coming up and you need their help to reach your goal! Share with them how much you've raised to date and let them know you are still raising money. Most people need to be reminded a few times, so don't be shy!

6 Easy Steps to Raise \$1000

Simple tips to get you started on your fundraising journey

\$50

Donate to yourself

Get the ball rolling and prove your commitment: if you're asking your friends, family, and associates to contribute to your fundraising, donating to yourself first will demonstrate your commitment to the cause

\$200

Ask your family members to donate

Ask four (or more) of your close family members to donate \$50 each

\$400

Reach out

Ask 16 of your extended family and friends to donate \$25 each

\$100

Work it

Ask five of your workmates to donate \$20 each, or ask your boss for a company contribution

\$50

Play it

Ask five members of your sports team, community group, church or club to donate \$10 each

\$200

Sell it

Run a garage sale at home, or a book or bake sale at work (ask your friends to help out!)

\$1000

YOU DID IT!

Although fundraising for charity can seem daunting, it is so much easier when you break it up into smaller targets! Don't be shy, and remember to ask everyone you know for support
